November Biography – Volunteer Kate

Hi, my name is Kate. I live locally and have recently decided on a change of career to Counselling. Whilst I'm studying, I decided to find a local organisation to volunteer with and I was lucky to find the Ringwood Veterans Hub.

I'm really enjoying my Friday mornings with them, listening to all the amazing stories, and meeting some wonderful people.

I've also taken on the monthly newsletter and being the initial point of contact for new volunteer enquiries.

For volunteer enquiries please email volunteering@Ringwoodveteranshub.co.uk in the first instance.
